NEWS-LETTER PROPOSED FOR SO. SAANICH

The annual vestry meeting of the parish of South Saanich took place in the Women's Institute Hall, Brentwood, on Tuesday evening, the rector, Rev. W. N. Turner, presiding. Capt. C. F. Gibson, a member of the diocesan executive committee, was present and outlined the proposed revisions in the system of levying assessments. The speaker made the point that the new system would provide for a fairer deal for all the parishes, as there would no longer be any haphazard methods in assessing the parishes of the diocese for the support of the church beyond their own borders. The rector in his report pointed out the adverse effects of the current war-time gasoline restrictions upon rural congregations, and called upon the members of the parish for greater efforts in personal evangelism. He also proposed the publication of a parish news-letter, to maintain and create contacts with the people of the district. This matter was left for further discussion by the church committee. The rector referred to the preparations necessary for the celebration of the

A very enjoyable luncheon was held at St. Paul's United Church parlors on Wednesday, Feb. 3, when Mrs. W. G. Wilson was the guest speaker. Copper Wire Goes to War

Vast quantities of copper wire are needed for the war effort of the United Nations. The wire goes into aeroplanes, ships, tanks, and innumerable other things. Copper is also required for many other purposes than wire. There is not enough copper to go around, to the Government has severely restricted the use of wire in the telephone business. We must therefore forego adding materially to our lines and equipment until after the war. This is the reason why many people who want telephone service are now unable to get it.

Must You Borrow

To Carry On Your War Work?

Every Canadian citizen has a part to do in winning this "survival" war against the international bandits who are trying to kill freedom and enslave mankind. Your war work is your most important job.

The Bank of Montreal encourages war-time saving, rather than borrowing, but there are cases where a timely bank loan not only saves money for the borrower but helps him to do a better job for VICTORY.

If you find it necessary to borrow money in order to perform your highest duty as a Canadian citizen—whatever that duty may be—please feel free to discuss your financial needs in confidence with the manager of our nearest branch. We have hundreds of branches throughout Canada.

Plan Tea And Social For St. Patrick's

GANGES, Feb. 10.—The first monthly meeting for the year of the Ladies' Aid to the Ganges United Church was held recently in Ganges Inn, with Mrs. J. Dewar presiding and taking the devotional period.

The treasurer's report showed \$5.58 on hand.

Business included arrangements for the postponed church supper and annual board meeting, which will now take place on Friday, Feb. 12, in Ganges Inn.

It was decided to hold a tea and social on St. Patrick's Day, March 17, at the home of Mrs. W. M. Mout, which has been kindly lent for the occasion and final arrangements for the afternoon will be made at the next meeting.

It was decided to carry out as far as possible the same financial obligations to the church fund as in the previous year. Unanimously adopted was the suggestion of the dorens secretary, that each member contribute, at least, one completed article of needlework for the annual sale of work.

Mrs. Donald Goodman was welcomed as a new member to the organization.

After discussion, it was finally decided to carry on with teas, which in future are to be very plain.

Hostesses were Mrs. W. M. Mout and Mrs. B. Krohbs.

There have been so many changes recently on the Review mailing list that we ask you to please check the label on your paper and if incorrect to let us know, as we do not send receipts for subscriptions unless requested to do so. These are checked very carefully when received and a record kept—but nevertheless a slip-up occurs once in awhile in the changing of labels.—Advt.

Write a Letter!

It's only a few steps to the nearest mail box — write a letter! Take a little chunk of your heart and spread it over some paper; it goes, oh, such a long way. Write a letter to your mother or father, to your sister, brother, sweetheart — some boy or girl in some branch of our armed forces. Write a letter and give them the same thrill you had when you last received such a letter. Think of the joy you'll give when they receive an envelope enriched with familiar handwriting! It's a thrill that lasts! A personal letter — it's good to GET one. So SEND one — write a letter. Write a letter and — give. Give praise, encouragement, interest, consideration, gratitude. You don't HAVE to give those things; but the real letter is the one you don't HAVE to write. And remember, whether you say "Attahoy!" "Thanks," or "I love you!" A LETTER NEEDS NO EXCUSE!

NEWS-LETTER PROPOSED FOR SO. SAANICH

(Continued from Page One.)

golden jubilee of St. Mary's
Church in June, 1944.

Encouraging reports were read from the Women's Auxiliary, the Sunday School and the Anglican Young People's Association. The people's warden, A. Spencer, gave a detailed report on the financial affairs of the parish, from which the members took courage. E. Gale, treasurer of the Centenary Memorial Fund, reported that to date the fund had \$196 invested in War Savings Certificates. This fund was created to commemorate the 80th anniversary of St. Stephen's Church, and is to be allowed to accumulate until the time of the centenary.

The rector nominated Robert Derrinberg as his warden for the year. Albert Spencer was re-elected people's warden. L. E. Taylor, A. Spencer, Robert Derrinberg and Arthur Burr were elected lay delegates to synod, with Col. R. H. Palmer, E. Gale, P. F. Warren and L. E. Littlewood as alternates. The people's warden, A. Spencer, was also elected treasurer of the memorial fund. Elected to the church committee, to act with the rector and wardens, were Mrs. H. R. Gale, Mrs. H. S. Hughes, Col. R. H. Palmer, A. Burr, E. Gale, D. Hodgson, V. Robinson, G. Mead-Robins, P. F. Warren and George King. E. Gale was appointed auditor. Delegates to the rural deanery conference are to be the wardens and L. E. Taylor, L. E. Littlewood and E. Gale.

Special votes of thanks were extended to the Woman's Auxiliary and Anglican Young People's Association, as well as to Miss M. Chow and the Sidney and Victoria papers for much co-operation. The meeting concurred in the expressions of gratitude which were given in the rector's remarks for the help of the many people who had born much of the burden of the past year.

CARD OF THANKS

Mrs. John Reid and family wish to thank all those kind friends who sent flowers, letters of sympathy, loaned cars and assisted with acts of kindness during their recent bereavement. Also to the pallbearers: Stanley Anderson, Levi Wilson, Newall Copeland, Peter Potterson, George Shepard, William Watson.
